

ANNEXURE-

Sub: PU (POLY URETHANE) Connectors & Pipes suitable for Pipe Size 12mm (OD) X 8mm (ID)
Suitable & withstand up to an approximate Pneumatic Pressure of 08 Bar

Sl. No	Material code	Material Description	Reference Picture	Unit code	Stock in hand	Dues	Consumption rate	Item cat	Quantity Req.
1	400036009067	Male Elbow Connector (having 1/4" Threading at an end)	 Male Elbow	01					1000
2	400036009068	Straight Union Connector	 Push Union ST	01					300
3	400036009069	Push Union Tee Connector	 Push Union Tee	01					300
4	400036009070	Push Elbow Union Connector	 Push Elbow Union	01					300
5	400036009071	Push Make Tee Connector (having 1/2" Threading at an end)	 Push Male Tee	01					1000
6	400036009072	Push type Straight Male Connector (having 1/2" Threading at an end)		01					300
7	400036009073	PU Tube		04					1500
