SUB: EXPRESSION OF INTEREST (EOI)

URANIUM CORPORATION OF INDIA LIMITED (A Govt. of India Enterprise) Department of Atomic Energy is operating six (06) underground Metalliferous Mines in the state of Jharkhand. M/s. UCIL has planned to outsource the whole mining operation at some of its mines located in the state of Jharkhand.

Only Indian financially sound company / Joint ventures/ Consortium and registered in India having experience in production & development from **Underground Metalliferous Mine** may submit their **Expression of Interest (EOI)** along with the prescribed format.

1. A letter of interest
2. Details of technology proposed to be deployed
3. Details of work done in the related field

The EOI is being floated to have detail discussion with the resourceful, bonafide and reputed mine operator so as to enable UCIL management to initiate the process of outsourcing some of its operating mine located in Jharkhand.

Mere participation & qualification in EOI will not automatically mean that such intenders are considered qualified.

UCIL reserves the right to accept or reject any or all applications, re-invite EOI without assigning any reasons whatsoever. All responses should be sent, so as to be received within 30 (thirty) days from the date of advertisement on our website at www.tenderwizard.com / www.ucil.gov.in.
