For Chairman & Managing Director
URANIUM CORPORATION OF INDIA LIMITED

GENERAL CONDITIONS OF QUOTATION

1. One set of schedule of quantity enclosed separately with this bid document and bidders are directed to submit their price offers (Schedule of quantities with rates) in Triplicate. The second and third copy of schedule of quantities and rates quoted shall necessary be photo/carbon copy of the original duly signed by the contractor.
2. Tender shall be submitted in two separate envelopes. One envelope should contain papers of earnest money deposit and second envelope should contain quotation and schedule of item and rates. Each envelope should be properly sealed and superscribed separately with earnest money deposit and tender document with schedule of item and rates accordingly.

First of all only sealed envelope of earnest money deposit will be opened and if earnest money deposit found in order, then only quotation with schedule of item and rates will be opened.

3. The Contractor should quote their rates considering minimum wages for un-skilled labourers as per notification of A.L.C. Chaibasa. In case of any increase in the minimum wages the same has to be paid and for that there will be no extra amount claim payable by the Company.
4. **Tax & Duties** : All the taxes and duties applicable to this contract will be on your part and rates awarded are inclusive of all taxes, royalty, Service Tax and duties applicable for the work.
5. **Service Tax** :- As it is a Sweeping and Cleaning job, UCIL does not have Service Tax liability under Reverse Charge Mechanism However, the party should pay the Service Tax, as applicable.
6. **Earnest Money & Security Deposit** – The total amount of Security Deposit including the amount of Earnest Money will be 10% of the awarded value of work. You will have to deposit required amount with our accounts department towards the initial security deposit (including earnest money) @ 5% of the ordered value. In addition to the above , further amount to the extent of 5% of the cost of the work will be deducted from the running account bills @ 10% of the gross value of the R.A. bills till the full amount of security deposit is recovered by the corporation. 50% percent of the security deposit will be refunded after completion of the work and balance 50% refunded after completion of defect liability.
7. **Working Hours** : – The work shall normally be carried out between 7.00 A.M to 12.00 Noon and 2.00 PM to 5 PM on all working days including Sundays and Holidays for General Shift and for A Shift from 6.00 AM to 2.00 PM, B Shift from 2.00 PM to 10.00 PM and C Shift from 10.00 PM to 6.00 AM . The extension of work beyond working hours change in working time, if any, shall be carried out after obtaining prior permission of Engineer-in-charge for which no extra claim shall be entertained. Shift duty persons should not leave the hospital complex till his/her duty reliever does not report for duty.

8. **Completion period :-** The total time period is **03 (Three) months** for completing the entire job which will be reckoned 15 days from the date of issue / receive of Work Order / L.O.I or handing over the site whichever is later.
9. Necessary workmen Insurance coverage shall be obtained by the Contractor for the workmen to be engaged at site, at their own cost for the whole period of the contract and shall be furnished to the Corporation before commencement of the work without which contractor will not be allowed to start the work.
10. The awarded price shall be firm and remain valid up to contract period from the date of commencement of the work and no escalation on any account whatsoever will be entertained / paid by the Corporation.
11. You have to give a certificate of liability for damage done by your employees workmen. You have to provide detail address of the employees / workmen also.
12. No tools and tackles / machinery shall be issued by Corporation for execution of this work. The contractor shall arrange tools, tackles, transportation of materials etc at his own cost and risk.
13. Defect Liability period for this work shall be **01 (One)** month from the date of completion of the work.
14. You should hand over the clear site to the Corporation after removing all the surplus materials, spoils, debris etc. failing which company have right to :-
 - (a) Retain the final bill till site clearance is completed or
 - (b) Engage some other agency to carry out site clearance at your risk and cost.
15. Removal of natural obstructions on the way of work will be carried out by the Contractor and no extra cost will be borne by the Corporation.
16. Income tax will be recovered at source as per the rules.
17. **CONTRACTOR WILL HAVE TO FOLLOW :-** The successful tenderers shall have to comply with provision of contract labour (Regulation & Abolition) Act, 1970, EPF & MP Act, 1952 and Rules framed thereunder, if applicable, to him / them.
18. Rates quoted by the contractor in item rate tender in figures and words shall be accurately filled in so that there is no discrepancy in the rates written in figures and words. However, if a discrepancy is found, the rates which correspond with the amount worked out by the contractor shall unless otherwise proved be taken as correct. If the amount of an item is not worked out by the contractor or it does not correspond with the rates written either in figures or in words then the rates quoted by the contractor in words shall be taken as correct. Tenderer shall submit schedule of item (s) and rates (s) in triplicate duly signed and stamped on each page.

- 19 The party will not stop the work in any circumstances like bandh/stoppage of work by local people or for any other reason.
20. Safety precautions should be maintained during the execution of the work. All the safety appliances like helmet, boot etc. should be provided to the workmen at your own cost.
21. (a) The entire work will have to be completed within 03(Three) months. The contractor should quote their rates considering minimum wages for unskilled labourers as per notification of ALC (C), Chaibasa. In case of any increase in the minimum wages, the same has to be paid by the contractor.

Signed by the said

CONTRACTOR

In the presence of

Compliance of the provisions of Employment Provident Fund & Miscellaneous Provisions (EPF & MP) Act, 1952

Instructions as mentioned hereunder to provide social security benefits to workers engaged by any organization directly or through a contractor :-

All the contractors shall have Provident Fund Code Number. The workers deployed By the sub-contractor are enrolled as members of Provident Fund and should be given the Universal Accounts Number (UAN).

The contractor should submit a certificate that all workers employed directly or indirectly by him are register for EPF and due contribution have been credited to their account at the time of submission of R.A. bills.

Failure on the part of the contractor to comply the above instructions will be an offence under EPF & MP Act, 1952. The contractors awarded with contract job in Estate Section are hereby advised to adhere to the above instructions strictly to avoid any legal complications.

TAXATION CLAUSE (FOR TRANSPORTATION CONTRACTS ONLY).

The rates quoted by the contractor shall be inclusive of all taxes , duties and levies except Service Tax. However , Service Tax and education cess on service tax shall be quoted separately by the contractor over and above the quoted price in the Price Bid. Evaluation of L₁ prices shall be done based on the total value quoted by the contractor including the service tax liability of Uranium Corporation of India Limited , if any.

The Contractor should clearly understand , before quoting the rates , the implication of reverse charge mechanism, negative list and exemption list of service tax. Uranium Corporation of India Limited , under no circumstances, shall pay the liability of service tax on the part of the contractor.

The Contractor has to show the amount of taxes, duties and levies clearly in the invoices / bill raised by him. In case the same is not applicable, the contractor has to clearly certify on the face of the invoice / bill that taxes, duty or levy like service tax is not applicable in the instant case.

It shall be sole responsibility of the Contractor to ensure that all kinds of taxes / duties / levies are deposited by him, in time and in the prescribed manner, with the concerned taxation authorities and Uranium Corporation of India Ltd shall not bear any responsibility, whatsoever , with regard to non/delayed payment of taxes / duties / levies by the contractor to the concerned taxation authorities. Further , in case any dispute regarding non-payment of tax / duty by the contractor which results in any proceeding against Uranium Corporation of India Ltd , then the disputed amount shall be withheld from the pending payments of the contractor.

In case any new tax, duty or levy is imposed by the Government subsequent to the final date of submission of tender the same shall be paid, if applicable, on production of relevant statutory documentary evidence like Notification / circular issued from the concerned taxation authorities. Further , in case of variation (increase/decrease) in the rate of Service Tax after the final date of submission of tender , the said revised rate shall be reimbursed or recovered on production of relevant statutory documentary evidence.

In case of waiver / concession / reduction of statutory taxes and duties admissible under any law / act, benefit of the same shall be passed on to Uranium Corporation of India Ltd by the contractor.

The Contractor shall comply with the provisions of all the taxation laws and rules framed their under and also the orders or instructions issued, from time to time, in this behalf by the appropriate authorities.

TAXATION CLAUSE (OTHER THAN TRANSPORTATION CONTRACTS).

The rates quoted by the contractor shall be inclusive of all taxes , duties and levies. Service Tax and education cess on service tax to the extent of liability or the contractor shall also be included in the quoted price of the contractor. However , evaluation of L₁ prices shall be done based on the total value quoted by the contractor including the service tax liability of Uranium Corporation of India Limited , if any. No separate payment for taxes , duties and levies (including service tax) shall be made to the contractor.

The Contractor should clearly understand , before quoting the rates , the implication of reverse charge mechanism, negative list and exemption list of service tax. Uranium Corporation of India Limited , under no circumstances, shall pay the liability of service tax on the part of the contractor.

The Contractor has to show the amount of taxes, duties and levies clearly in the invoices / bill raised by him. In case the same is not applicable, the contractor has to clearly certify on the face of the invoice / bill that taxes, duty or levy like service tax is not applicable in the instant case.

It shall be sole responsibility of the Contractor to ensure that all kinds of taxes / duties / levies are deposited by him, in time and in the prescribed manner, with the concerned taxation authorities and Uranium Corporation of India Ltd shall not bear any responsibility, whatsoever , with regard to non/delayed payment of taxes / duties / levies by the contractor to the concerned taxation authorities. Further , in case any dispute regarding non-payment of tax / duty by the contractor which results in any proceeding against Uranium Corporation of India Ltd , then the disputed amount shall be withheld from the pending payments of the contractor.

In case any new tax, duty or levy is imposed by the Government subsequent to the final date of submission of tender the same shall be paid, if applicable, on production of relevant statutory documentary evidence like Notification / circular issued from the concerned taxation authorities. Further , in case of variation (increase/decrease) in the rate of Service Tax after the final date of submission of tender , the said revised rate shall be reimbursed or recovered on production of relevant statutory documentary evidence.

In case of waiver / concession / reduction of statutory taxes and duties admissible under any law / act, benefit of the same shall be passed on to Uranium Corporation of India Ltd by the contractor.

The Contractor shall comply with the provisions of all the taxation laws and rules framed thereunder and also the orders or instructions issued, from time to time, in this behalf by the appropriate authorities.

SAFETY RULES

SAFETY OF CONTRACTORS EMPLOYEE

1. The Contractor shall at all times, take all reasonable precaution for the safety of employees, including those of sub-contractors in the performance of his contract and shall comply with all applicable provisions of both Central as well as the State Safety Laws. In addition to the Safety provision already included in the tender, the contracting officer shall include the safety requirements recommended by the Health Physics Unit, Jaduguda for a specified contract. In the event that the contractor fails to comply with these provisions, the contracting officer may, without prejudice to any other legal or contractual rights, issue an order stopping all or any part of the work, thereafter a start order for resumption of work may be issued at the discretion of the contracting officer. The contractor shall make no reason of or in connection with such stoppage.
2. Contractors shall have a full time Safety Officer/Engineer when the contractor employees 500 or more persons or when engaged in specially hazardous work. In the case of contractors employing fewer than 500 persons his safety representative shall be an employee in a high supervisory capacity and his safety duties may be in addition to other technical administrative duties.
3. Contractor shall have at least one person fully trained in first Aid present at the site of work all the time.
4. Contractors must report to the Safety Officer (Mill) through their contracting Officers every accident involving.
--- Their personnel, UCIL property or personnel, ---Property or personnel of other contractors working on the site.
- 4.1 Contractors must report to the Safety Officer(Mill) immediately on becoming aware of any accident of Type-A(See Appendix-I) giving the following information:-
---Name of the informant, ---Nature and location of incident being reported, ---Name of supervisor/Engineer-in-charge, location and telephone number where he can be reached.
- 4.1.1 Contractors shall submit their investigation reports, through their contracting Officer, to the Safety Officer (Mill) immediately but not later than 3 working days after the occurrence of accident in the Form-A(See Appendix-2).
- 4.2 In the case of Type-B accidents (See Appendix-I), contractors shall submit their investigation reports, through their contracting officers, to the Safety Officer(Mill) immediately but not later than 3 working days after the occurrence of accident in the Form-A.
- 4.3 Monthly summary of accidents and cases of fire shall be prepared by each contractor in Form-B(See Appendix-3) and be sent to the Safety Officer(Mill) by the 7th of the next month.
- 4.3.1 Prime contractor reports shall include the mandays lost and occurrence of accidents under the jurisdiction of the sub-contractors.
- 4.3.2 Contractors shall submit a narrative on Safety activities and fire incidents for each month alongwith Form-B. The review should contain such items as personnel and programme chain, major project started and major problems.
- 4.3.3 You will have to provide necessary safety appliances to the workmen engaged by you for safety carrying out the job. However , if required , safety appliances will also be provided the company and the cost of the same will be recovered from the bills of the party. Contractor have to bring all their labours for necessary training in Mill Training Center for two hours before actual commencement of the work.

VI

SPECIAL CONDITIONS FOR SAFETY

Important Instructions to Contractors

1. After getting work order, contractor will have to submit their Site In-charge contact number to the following officials of UCIL for better co-ordination.
 - a) Respective Section-In-charge,
 - b) Safety officer (Mill),
 - c) Respective Site In-charge and
 - d) Mill In-charge.
2. The contractors will have also to collect contact numbers of all above mentioned personnel for proper co-ordination during execution of any job.
3. Before starting up any work against work order issued by UCIL to the contractor, contractor will have to submit **medical fitness certificate** of their workmen to the Safety Officer (Mill). **(If contract period shall be more than 3 months)**.
4. After receiving medical fitness certificate, Safety officer shall sign the request letter for preparation of gate pass of their workers.
5. All workers of contractor shall report to the Mill Training Centre for their **safety induction training**.
6. Only after safety induction training, they shall be engaged for any job.
7. **The contractor shall inform in writing to UCIL's Site-In-charge & a copy to Safety Officer (Mill) in one day advance about the work taken up next day & safety precautions taken up during execution of work and PPE's to be provided to their workmen.**
8. Before starting any job, a **safety pep-talk** shall be given by their experienced supervisor/site in-charge.
9. Before starting critical jobs, contractor shall have to fill Job Hazard Analysis form as per the format attached as **Annexure 'X'**. They shall have to prepare **Specific Safety Job Procedure** before starting any critical jobs such as dismantling & erection jobs at height etc. Also a checklist (**as Annexure 'Y'**) for the same shall be prepared and implemented. **Height Pass System shall be followed as per attached format. (Annex-VIII)**.
10. For critical jobs they shall be given **Safety Work Permit**.

11. After issue of safety work permit, safety personnel shall check all the safety related aspect as per the checklist prepared by the contractor and then only allow them to carry out the work.
12. During execution of critical job, site in-charge / safety personnel of the contractor and site in-charge of UCIL shall be present.
13. For bigger contract, contractor will have to engage **Qualified Safety Personnel** (having qualification diploma in industrial safety) for assessment of safety related issues.
14. After completion of job safety permit shall be handed over to the respective section-in-charge.
15. Gate pass to the Contractor labour shall be issued only after production of PPE's by them. Safety shoe & helmet are mandatory for issuing gate pass. No contract workmen shall be allowed without PPE.
16. Washing of clothing of contract worker is mandatory. Their clothing shall be washed in our washing facility at Mill Division, Jaduguda on chargeable basis @ Rs. 0.50 per cloth washing charges shall be deducted from Contractor's bill.
