## DETAILED NOTICE INVITING TENDER

1. Sealed item Rate tenders are invited on behalf of the Chairman and Managing Director, Uranium Corporation of India Limited, Jaduguda for **“Annul Repair and Maintenance of 500/400 mm dia DI pipeline from Kharkai River Intake Pump House to Turamdih “**
2. The Tender shall be in prescribed form and it shall be valid for a minimum period of six months from the date of opening of Tender. Should the Tenderer modify or withdraw his tender within the said period of six months from the date of opening the Tender, Earnest Money deposited by the Tenderer shall be forfeited and no tenders will be issued further to such tenderer.
3. The works are required to be completed within 12 months (one year) from the fifteen day after the date on which the engineer-in-charge issues written orders to commence the work/as per LOI or from the date of handing over of the site, whichever is later, in accordance with the phasing, if any, indicated by the Corporation in the Tender documents.
4. Normally Contractor whose names are borne on the approved list of Contractor of C.P. W. D / M. E. S or local reputed/experienced Contractors will be permitted to Tender. Not more than one Tender shall be submitted by a firm of Contractors against the same N. I. T.
5. Chairman & Managing Director, UCIL shall be the Accepting Officer hereinafter referred to as such for the purpose of this Contract.
6. Tenderers are advised to inspect and examine the site and its surroundings and satisfy themselves before submitting their Tenders as to the nature of the ground and sub soil as far as is practicable) the form and nature of the site, the means of access to the site, the accommodation they may require and general shall themselves obtain all necessary information as to risks, contingencies and circumstances which may influence or effect their Tender. A Tenderer shall be deemed to have full knowledge of the site whether he inspects it or not and no extra charges consequent on any miss understanding or otherwise shall be allowed.
7. Submission of a Tender by a Tenderer implies that he has read this notice and all other contract documents and has made himself aware of the scope and specifications of the work to be done and of considerations and rates at which stores, tools and plants etc will be issued to him by the corporation and local conditions and other factors bearing on the execution of the work.
8. A Tenderer should quote in figures as well as in words rate (s) tendered. The amount for each item should be worked out and the requisite totals given. Special care shall be taken to write rates in figures as well as words and the rates in words shall be considered for calculation of quoted value.

9. All rates shall be quoted on the Tender form.
10. In the case of item rate Tenders, only rates quoted shall be considered. Any Tender containing percentage below/above any scheduled rates quoted is liable to be rejected.
11. The Tender for the works shall not be witnessed by a Contractor or Contractors who himself/themselves has / have tendered or who may and has/ have tendered for the same works. Failure to observe this condition shall render the Tender of the contractor tendering as well as of those witnessing the tender liable to be rejection.
- 12. Tender shall be received in Tender box at the office of Assist. Manager (Pers), Turamdih up to 3.00 PM on the 05/12/2014 and shall be opened at 3.30 PM on 05/12/2014 in the presence of Tenderers who may be present.**
13. The Tender shall be accompanied by Earnest Money as stipulated in NIT and in the mode of payment as contained in Para (9) of General conditions of Contract – Even working Contractor shall not be exempted from payment of Earnest Money Deposit.
14. On acceptance of tender, Earnest Money will be treated as part of the security deposit. Failure of the successful tenderer to carry out the tender work shall entail forfeiture of the earnest money and security deposit entirely.
15. Uranium Corporation of India Limited, Turamdih will return the Earnest Money without any interest, to unsuccessful Tenderers on production by the Tenderer of a certificate of Engineer-in-charge.
16. The Tenderer shall submit the Tender which satisfied each and every condition laid down in this notice, failing which the Tender will be liable to be rejected.
17. The Corporation does not bind themselves to accept the lowest or any tender or to give any reasons for their decision.
18. The corporation reserves to themselves the right of accepting the whole or any part of the Tender and Tenderer shall be bound to perform the same at quoted rates.
19. Sales Tax or any other tax on materials in respect of this contract shall be payable by the Contractor and the Corporation will not entertain any claim whatsoever in this respect.
20. This notice of Tender shall form a part of the Contract documents

### Qualification Criteria for NIT No TMD/614

The qualifying criteria shall be as under :-

- 1.) Minimum average annual turn over for last three years should not be less than 4.00 Lakhs( ending march-2012 )
- 2.) The contractor should also have completed at least **one** single similar type of job of value not less than **Rs 11.00 lakhs, or Two** similar type of jobs having each cost is not less than **Rs 6.50 lakhs** or **Three** similar type of jobs having each cost not less than **Rs5.40` lakhs** during the last seven years.

### Definition of Similar Jobs: -

The following jobs will be considered as similar works –

The tenderer should have exclusive experience in laying/ repair and maintenance of cross country DI/CI pipeline of 400/300 mm dia pipe in a water supply system. The contractor should have experience of tighten joints.

If the performance of the contractor in any units of the corporation is not satisfactory, their tender may not be considered technically qualified even after fulfillment of all other criteria.
