Of driving tyre) = 4 x 2.

6.1.2: Model & Year of Manufacturing and duty hours and number of driver & helper:

Sl. No	Vehicle Type & Model	Year of Manufacturing	Fuel Type	Quantity	Duty Hour	No. Of drivers	No. Of helpers
1	Heavy capacity commercial motor vehicle MS water tanker with 9000 litres. GVW = 16 TON	Not earlier than 2018	Diesel	01	08 -10 Hours per day	01 driver	01 helper

6.1.3: UCIL is intending to sprinkling of water to suppress the dust on haul roads, other places & supplying drinking water at Musabani MURP colony from Bagjata Uranium Mine and The scope of work under this contract will consist and comprise of the following:-

A. Providing on hire water tanker of 9000 litre capacity with water sprinkler for water sprinkling departmental roads & public road, office buildings & staff quarters, Parking places of trucks / troll as other road to village approach roads, plantation site for watering to the plants, sprinkling water on mines approach / access roads & any other related places at uranium mines.

B. Transportation of water for sprinkling as well for drinking purpose from the source to places as mentioned above, water sprinkling / water to plant on all working days at specified timing as given by concerned Mine Manager.

C. The time schedule as indicated is tentative & the company in its sole discretion reserve the right to alter the same without giving any notice.

6.1.4: Vehicle (s) to be provided with all other major components/ accessories, safety gear, good seats, glasses, tyres & stepney, reflective tapes, rear vision camera etc. The vehicle should be in excellent condition.

6.1.5: UCIL has the right to inspect the vehicle(s) in details before any further processing and if the quality is not good, the vehicle would be rejected without assigning any reason whatsoever, such vehicle(s) has to be discounted and replaced by similar or better specifications vehicle(s) till the end of the contact period or extended period. UCIL is the sole authority to decide on the quality of the vehicle.

6.1.6: The vehicle deployed must have necessary valid relevant permit for movement in states/ area of operation as specified above. In case, duties may require movement of vehicle(s) outside from specified states/ area of operation, the contractor has to provide necessary permits for which UCIL will reimburse the amount paid to the appropriate authorities on this account against submission of documentary proof.

6.1.7: Vehicle(s) deployed should be duly registered with R.T.O. under valid permit(s), all taxes paid comprehensively insured covering the risk of all passengers travelling in the vehicles. Vehicles should have valid

Retired Gen
10/10/24

permit(s), required tools, spare wheels, portable fire extinguisher and spare for repairs to be carried out en-route.

6.1.8: The duties of the vehicles are 8 -10 hrs. Including Sunday and holidays. The monthly rent includes Sunday and holiday in a month.

6.1.9: The vehicle can be parked outside main gate or inside plant premises (with prior permission) at designated place during night at the risk and cost of contractor.

6.1.10:Penalty for non-availability / absenteeism: In case non-availability of the vehicle due to breakdown, absenteeism or for any reason attributable to the contractor, a **Penalty @** double rate of hiring rental cost for non-availability period will be imposed if suitable replacement is not provided in time. For example if the total quoted daily rent of the water tanker is X, then the penalty will be 2 (double) x (X) / 8 (hours duty per day) x unavailability hour.

6.1.11: First Aid Materials:

The owner of the vehicle must ensure that First Aid materials are available in its vehicle at all times as per rule.

6.2: Manpower deployed by the contractor:

6.2.1: The contractor will be required to deploy minimum manpower to carry out the work as mentioned below:

Category of contractual labour	Minimum Number	Duty hrs. Per day	Qualification
Skilled- Driver / operator	01 + reliever	08 -10 hrs. Per day & 6 days in the week.	Valid HT License holder
Unskilled- Helper / Khalasi / Cleaner	01 + reliever	08 -10 hrs. Per day & 6 days in the week.	Not required.

6.2.2:In case for fulfilment of scope of work, more number of manpower is required, then same will be deployed by the contractor at no extra cost.

6.2.3: The contractor will ensure that drivers of the vehicles are given "One (01) day's off in a week" and provide alternate drivers for the day.

6.2.4:Cost of manpower: Contractor will disburse the prevailing statutory minimum wages (BASIC + VDA) & overtime wages as per the Mines Act -1952 rule/ Minimum wages Act rule & other statutory compliance towards social security contributions as per EPF/ESI/ Acts & minimum Bonus as per minimum Bonus Act to the bank A/c of deployed drivers or/ and Khalasi of hired vehicles on monthly basis through e-payment mode and will also disburse other monthly statutory compliance contributions to statutory authorities through a separate challan/ e-mode.

The wages of Driver and Helper and other statutory compliance towards social security contributions will be done to the contractor in subsequent month on submission acquaintance against disbursement of wages & other statutory compliance towards social contributions in deployed driver's/ khalisi's bank account duly signed by driver along with copy of cheque / e-payment details/ bank's statement and through a separate Challan/ e-mode to statutory authorities. Base date of minimum wages will be considered as the date of opening of price bid of offer or date Reverse Auction Whichever is later.

The cost of manpower payable to the contractor by the corporation/ buyer as per actual basis on submission of monthly bill by the contractor.

6.3. Cost of Diesel:

Cost of Diesel will be payable on **reimbursement basis** to the contractor by calculation of the km run by the vehicle @ approved mileage ## kilometer per liter, as signed in the log book. For example if the vehicle has run

Adhikar
खान प्रबंधक
Mines Manager
बागजाता खान
Bagjata Mines

for say, 120 km then the amount to be paid is (120 km divided by ##) x the ruling price of Diesel per litre e.g. Rs. xx.xx/- per litre. Apart from this no other amount whatsoever payable for fuel cost. The ruling price of diesel per litre as on the last working day of calendar month will be taken into consideration for the payment of the fuel cost. UCIL will bear the cost of Diesel calculated as given below, based on actual km running in odometer. **Vehicles make & brand wise approved mileages (km per liter) for cost of diesel reimbursement are as follow:**

Type of Vehicle(s) required	Average km per litre
Heavy water tanker 9KL capacity truck	03 km per litre

7. No defect liability period for this work.
8. Necessary workmen insurance coverage shall be obtained for workmen to be engaged for this work.
