-----------	---

You are requested to submit sealed quotation in duplicate for **Hiring of payloader with 03(three) operator for 90days in Turamdih (Mill)** as per Blank Price Format (Annexure – PF).

Scope of work

Payloader shall be available throughout the day. The payloader will be used for pushing of ore in stock pile ,lime stone, manganese ore and removal of lime and other rejects.However, the loader may also be used for any other type of work anywhere inside(or)outside the turamdih unit/area, depending upon the requirement and as instructed by the engineer-in-charge.

Commencement of work:

The work shall commence within 10days of placement of work order. Contractor will report to the Engineer In-charge, UCIL immediately on receipt of work order for further instructions for carrying out the job. A letter duly signed under contractor's official seal as a token of acceptance of all terms & conditions of work order must reach in the office within two days of receipt of the order. Contractor shall submit work commencement letter in duplicate (in prescribed format) to the Engineer In-charge -UCIL within two days of start of work at site as statutory requirement for onward transmission to the competent authority, Govt. of India, Ministry of Labour, Jharkhand. The work order no. & date as well as name of work must be quoted in all correspondences.

Period of Completion:

90(Ninety) days from date of commencement of the work (including Sundays & holidays).

Payment:

2 (one) R.A. bill and 1(one) Final bill shall be paid.

Working period & Responsibility:

The payloader along with operator shall be available for 24hours on all the working days(including Sunday & holidays) in Turamdih mill.

Payment:

A fixed hire charge for full day will be paid for keeping the pay loader along with operator in the plant. Apart from this, diesel @10.00lt/hour of run will be issued FREE depending on actual running hours. Payment will be made on monthly basis.

Insurance:

You have to arrange Insurance (ESI) coverage for manpower engaged for the work.

Award of contract:

The Contract shall be awarded on L1 basis.

Penalty:

- a. In case of unavailability of pay loader either because of breakdown of pay loader or unavailability of operator or any other case for more than 8 hrs. in a day but less than 12 hrs. 50% of the daily hire charges shall be deducted as penalty.
- b. In case of unavailability of pay loader for more than 12 hrs. in a day but less than 24 hrs. 100% of the daily hire charges shall be deducted as penalty.
- c. In case of unavailability of pay loader for more than one day and not supplying substitute pay loader, then actual hire charges of substitute pay loader by the corporation shall be charged as penalty or 1.5 times of daily awarded hiring charges will be deducted as penalty if the job is managed departmentally.
- d. In case of unavailability of pay loader for more than 8 hrs. a day for more than 4 occasion in a month, additional of 2 days hiring charges will be deducted from monthly bill.

In case of higher unavailability than above the Corporation reserves the right to cancel the contract.

If the Company considers that the performance of the Contractor is unsatisfactory, or not up-to the expected standard, the Company shall notify the Contractor in writing and specify in details the cause of the dissatisfaction. The Company shall have the option to terminate the Contract by giving one (1) month notice in writing to the Contractor, if Contractor fails to comply with the requisitions contained in the said written notice issued by the Company.

Rejection of Contract:

If concerned Engineer-in-Charge finds that jobs are not being done properly and there are slackness in work or progress is not satisfactory, then reminder shall be issued to the party for the improvement and even then if not improved then contract shall be cancelled.

Safety:

You have to arrange all tools & tackles at your own cost like Gumboot, Gloves, Helmets, Goggles, Respirator etc. to all the persons engaged daily.

Medical

Medical fitness certificate for all employed persons from recognized doctor must be submitted to safety officer of UCIL before start and completion of the work.

Firm Price:

Price quoted shall remain firm till the completion of the work.

Rules and Regulations:

You have to follow all security, safety and labour rules of the Corporation.

Discrepancies and Adjustment of Errors:

- a. If there are varying or conflicting provisions made in any one document forming a part of the Contract, the accepting authority shall be the deciding authority with regard to the intention of the document.
- b. If on check there are found to be difference between the rates given by the Contractor in words and figures or in the amount worked out by him in the schedule of quantities and general summary the same shall be adjusted in accordance with the following rules:
 1. In the event of discrepancies between description in words and figures quoted by a Tenderer, the description in words shall prevail.
 2. In the event of error occurring in the amount column of schedule of quantities as a result of wrong extension of the Unit rate and quantity, the Unit rate shall be regarded as firm & extension shall be amended on the basis of the rate.
 3. All errors in totaling in the amount column and carrying forwarded totals shall be corrected.

Rejection of Contract:

If concerned Engineer-in-Charge finds that jobs are not being done properly and there are slackness in work or progress is not satisfactory, then reminder shall be issued to the party for the improvement and even then if not improved then contract shall be cancelled.

Failure to pay minimum wages:

Contractors have to pay minimum wages and provident fund to their engaged worker within the schedule date as per the guideline of UCIL. If contractor fails of making payment to their worker within the schedule date in 2nd instance then the contract maybe short closed and penal action against the contractor for black listing procedure shall be initiated as per PWCP-2017.
